

Cupcake Flower Craft

Supplies

- Cupcake liners of assorted colors
- Pom poms
- Scissors
- Glue sticks and liquid glue
- Green and blue construction papers

Procedure

1. Cut a green construction paper in half. Cut out a stem and two leaves from one half of the green construction paper.

2. Make numerous half-an-inch cuts along the longer edge of the other half of the green construction paper to make a lawn. Cut so that the lawn is two inches high.

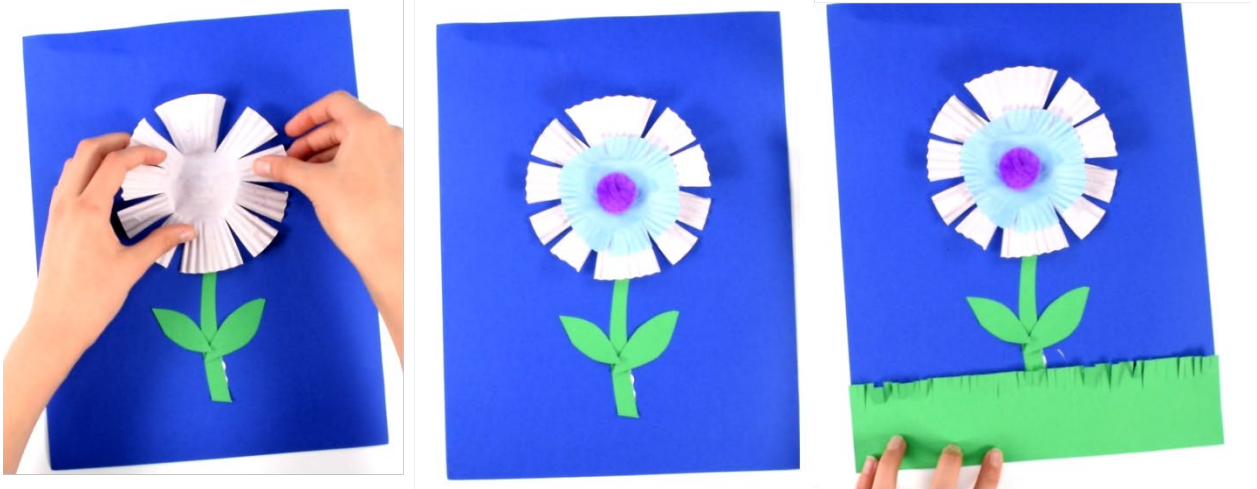

3. Fold a blue cupcake liner in half and cut out the outer half-an-inch.

4. Fold a white cupcake liner in half. Cut both the blue and white liners along the pleats half-an-inch deep so that the liners can be laid down as flat circles.

5. Glue the stem, leaves, two layers of flower pedals, the pom poms and the lawn on a blue construction paper. Liquid glue is for pom poms.

6. If the children are up for it, write down the verse on top of the blue construction paper or on the green lawn.

Consider the lilies, how they grow. -Luke 12:27a

Possible Memory Verse:

Consider the lilies, how they grow.

(Luke 12:27a)

7. When craft is complete, please return clear bin with supplies to the storage room. All the supplies can be left in the bin and put on the white table—no need to put back each individual supply.
