

Mouth Craft

Supplies

1. White card stock
2. Stencils of mouth parts
3. Construction paper
4. Hole punchers
5. Glue sticks
6. Scissors
7. Pencils

Procedure

1. Stencils for each mouth part as shown in the diagram below will be provided in the classroom.

2. Use stencil to trace mouth parts on construction papers of each corresponding color.
3. Cut out mouth parts and use hole punchers to make teeth.
4. Glue mouth parts to card stock according to the picture shown below.
