

Guess the smell game

Supplies

The items are prepped and labeled as seen in the picture. When the activity is done, the cups can be thrown away and the baking sheet returned to the white desk in the storage room.

Directions:

1. Divide the children into two teams.
2. Each team will take turns sending one person to guess one smell (8 smells total).
3. Person from the team guessing the smell needs to have eyes closed.
4. First person to guess correctly will get a point.
5. Team with the most points NOSE it all!
6. If a tie breaker is needed, use extra scents.
