

Animal Feet Craft

Supplies

1. Foot template for tracing
2. Paint brushes
3. Paint
4. Paper plate (for paint)
5. Cardstock
6. Pencils
7. Scissors

Procedure

1. Allow children to choose which animal foot they would like to trace. They will need to trace two of the same animal's foot.
2. Paint the feet, then cut out the feet.

3. Cut a slit so children can put animal feet over their own feet.

Picture is on next page.

4. When craft is complete, please return clear bin with supplies to the storage room. All the supplies can be left in the bin and put on the white table—no need to put back each individual supply.
