

# Activity Plan for the Lesson on “God is Holy” for 1-2 Grades

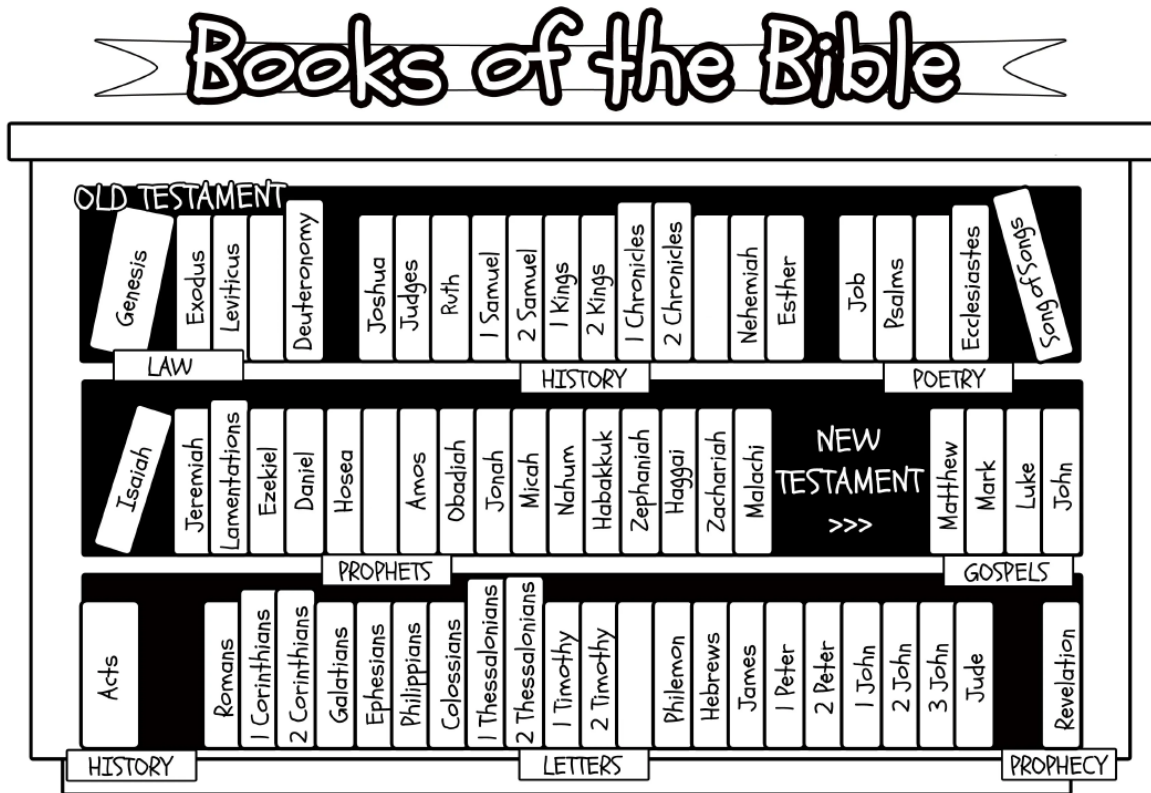

## Coloring

Supplies (all the following are prepared and placed in the classroom)

- Coloring sheets as shown below
- Black pencils
- Color pencils or crayons

## Procedure

1. There are 39 books of the Old Testament and 27 books of the New Testament placed on the bookshelf, with the correct number of books in each category placed as a group separated by a vacant slot from the next category. Ask the children how many categories are in the Old Testament and how many categories in the New Testament.

2. Fill out the five books that are missing names.
3. The children can color each category with the same color, or even color each book with a different color.
