

Sea Animal Stacking Dolls

Supplies (everything will be prepped and placed in the classroom)

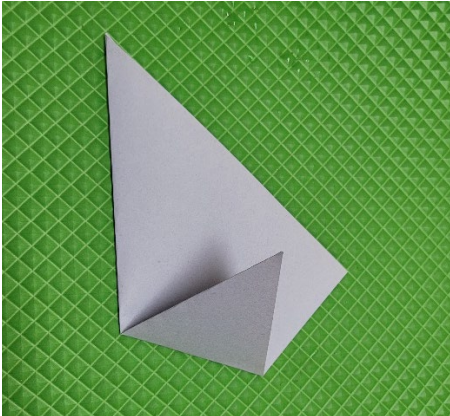

1. Papers of assorted colors
2. Coloring pencils or crayons
3. Glue sticks

Procedure

1. Fold a square paper in half to make a triangle.

2. With the fold closest to your body, fold one corner up and across the triangle.

3. Fold the second corner so that it lays over the first corner.

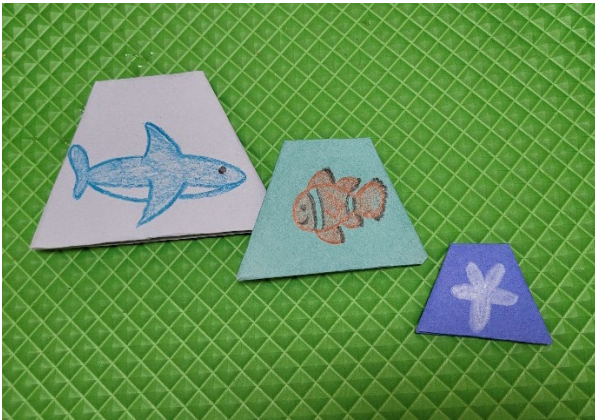

- Use the glue stick to add some glue to the top flap, fold it down to seal it.

- Tuck the second flap into the pocket you've made.

- Repeat this with two other papers of smaller sizes.

- Decorate each pocket with a big, medium, and small sea animal.
