LET'S READ THE BIBLE!

As Christians we should read the Bible in a regular way. We challenge you to read through the second half of the New Testament over the next year. We will start with the epistle to the Romans, just two to three chapters a week. Every three months we will take the young people who complete the schedule to a restaurant! We encourage you to read with your friends or family members. We hope you all would come to know and love this book.
